Plan of activities during lockdown 28th April to 2nd May.

1. Tuesday : Practical class (I have to show)
2. Wednesday : students have to practice will be keeping in touch.
3. Thursday : I have to show
4. Friday : students will practice, will be keeping in touch.
5. Saturday :Theory class.
6. Sunday & Monday : students have to read and solve art theory questions.

28th April : I will be showing some Newspaper Crafts.

As MIXED MEDIUM MOSAIC, this must be done by styrofoam strips but now will experiment with newspapers.

Will make the strips then will colour it, then will cut it according the pieces required, assemble them and will put together piece by piece to creat the final work.

30th will practice the same technique but in a different style. Also will do something, some Drawings for May Day, INTERNATIONAL WORKERS DAY.

Students will dedicate their art piece to their parents (for working & housewives parents).

2nd Saturday : Theory class (for alternative Saturdays)

That will be mainly the terms related to art.

Like: meaning of art, elements of art, how many types of art forms are there, what are the painting mediums, name, elements , use of each colour. rasa theory, meaning of perspective, for shading what kind of pencils are used how light and dark shades are done, different types of shading, etc.
